Service Learner Contract:

I understand that Girls Inc. may require additional hours and responsibilities outside of those that are required for my service learning class, and I am willing and able to commit to the following:

I commit to volunteering each week for at least a semester.

I commit to volunteering for an assigned shift of 2 hours each week.

I commit to calling in with 24 hours advance notice and finding a sub if I cannot volunteer.

Volunteer Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please remember, Girls Inc. and the girls we serve rely on you to be here each week, throughout the semester. In order to have successfully completed your volunteer service, we need you to continue to volunteer with us through the semester, even if you complete your service learning hours early. Our organization and the girls we serve are counting on you!
